

## ***Donation Request Form***

Augustina's Winery is a small one-woman winery. I try to support the local non-profits and the work they do, but can rarely give more than 1-2 bottles to any one cause or event. My monthly giving is limited to 6 bottles.

If you would like to be considered for a donation please fill out the form below. I do occasionally make exceptions to this procedure for regular customers at the winery who are fundraising for a charity that I also support.

While I can't grant all donation requests, I appreciate your efforts to support your cause, and wish you the best in your fundraising efforts. Thank you.
